

REFUND POLICY AND PROCEDURE

Refund Policy – Student 's Default

Any student who wishes to request a refund for whatever reason must complete an Application for Refund Form and addressed to the CEO, clearly stating the reason for the refund and/or cancellation.

Table below indicates a list of refund items:

Description of items	Refund status
Administration fee	Non-refundable
Course material fee	Non-refundable
Visa refused prior to course commencement	Full refund less enrolment and course material fees
Withdrawal prior to course commencement	30% refund less enrolment and course materials fees
Withdrawal of course after course commencement	No refund
Visa rejection due to students' actions including providing forged or fraudulent documents etc.	No refund
Visa cancellation due to student s actions	No refund
Enrolment cancelled due to actions of the student and results in serious breaches of CHC's policies and procedures	No refund
Compulsory Health Insurance (Student Visa only)	Refer to the OSHC provider
If TACIS withdraws its offer to deliver the course prior to course commencement date	Full refund including enrolment and course material fee
If TACIS withdraws its offer to deliver the course after course commencement date	Refund of the unused tuition fee

If the student fails to commence with or without notifying the College, no refund will be available, except in special circumstances. "Special circumstances" under which a full refund will be considered and which are beyond the student 's control:

- In the case of serious illness – verified by a medical certificate
- Family or personal tragedy
- Acts of God
- Acts of Government authorities, for example where the student is prevented from commencing studies in the agreed course of study.
- Where a Student 's Visa has not been granted

If required / or if TACIS agrees to refund monies paid, it will do so within 4 weeks of receiving written application for refund. The refund will include all course fees paid (less the registration fee, student kit, fees paid to education agents).

If a student withdraws from a course of study after commencing, for any reason outside those specified under "Special Circumstances", no refund will be given, and the student will be held liable for any unpaid fees as a result of the withdrawal.

TACIS agrees to refund all monies paid, where the course of study has been cancelled prior to commencement in accordance with the scheduled commencement date. In such cases, full payment will be made within 2 weeks (14 days). All monies paid shall be refunded in full.

TACIS will provide the student with a written statement detailing how the amount of the refund has been calculated. All refunds will be paid to the person (the student) who enters into the contract with TACIS unless they provide written direction to the provider to pay the refund to someone else. Under no circumstance will the refund be paid to an education agent or a family member. All refunds will be paid in Australian Dollars.

Note: This agreement, and the availability of complaints and appeals processes, does not remove the right to take action under Australia's consumer protection laws. TACIS' dispute resolution processes do not circumscribe the student's rights to pursue other legal remedies.

Refund – Provider Default

In the unlikely event that TACIS is unable to deliver the course in full, the student will be offered a refund of all the course fees they have paid to date. The refund will be paid to the student within 2 weeks of the day on which the course ceased being offered/provided.

Alternatively, the student may be offered enrolment in another course/qualification by TACIS at no extra cost to the student.

The student has the right to choose whether they would prefer a refund of unused portion of the tuition fee (calculated according to the percentage of training and assessment already completed against the total duration of the qualification), or to accept a place in another course.

If the student chooses placement in another course, TACIS will ask the student to sign a document to indicate that they accept the placement.

Underpinned by the *Education Services for Overseas Students 2000* (the ESOS Act), the TPS framework protects international students on student visas when their provider defaults. That is, their provider closes, fails to start, or stops offering a course.

The TPS framework requires that if a provider defaults, they have a legal obligation to either arrange students to continue their studies at an alternative provider; or provide students with a refund on unspent tuition fees.
